Mr. Hugh Montgomery  
Director of Intelligence and Research  
Department of State  
Washington, DC 20520

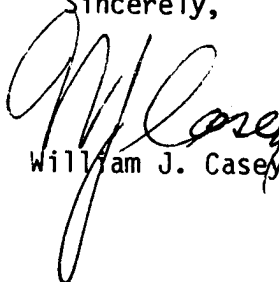

Dear Hugh:

In establishing the Selection Committee for the Exceptional Intelligence Analyst Program for 1985, I intend to follow last year's pattern with representation from CIA, DIA, NSA, and State/INR. The Selection Committee will meet in early February. In keeping with the tradition of rotating the chairmanship, the State/INR representative will chair this coming year's Selection Committee. I should appreciate your appointing a representative to serve in that capacity. Last year Mr. C. Thomas Thorne represented INR.

Please respond to [redacted] Intelligence Community Staff, at [redacted] He is prepared to work closely with the chairman to expedite and facilitate the selection process.
